We are continuing to run separate junior and senior pool sessions. The hour-long senior rolling sessions, which follow the junior sessions, are primarily for those who are learning to roll.

Juniors

The club generally takes children from the age of ten/eleven years.

The committee has decided that any members who wish to bring family members who are younger than ten (and are physically strong and big enough to paddle) can do so.

Any other children can attend only by prior arrangement. For security reasons parents will be asked to sign in their children when they arrive at the pool.

IF USING YOUR OWN BOAT PLEASE CAN YOU ENSURE THAT IT IS SPOTLESS
